The "telethon" technique of promoting the Juniata Alumni Fund proved to be a successful experiment this year. Alumni volunteers aided the campaign for greater participation with a friendly chat and gentle persuasion. Among them were four from the Harrisburg area: George G. Pote '55, Camp Hill; Glenn C. Zug '51, Harrisburg; Mrs. Eula G. Fyock '31, Harrisburg, and Klare S. Sunderland '56, Camp Hill.

THE JUNIATA COLLEGE BULLETIN is published quarterly (Winter, Spring, Summer, Fall) by Juniata College at Huntingdon, Pennsylvania. Entered February 6, 1904, at Huntingdon, Pennsylvania, as second-class matter under Act of Congress of July 16, 1894.

REPORT OF ANNUAL GIVING

THE TOTALS FOR 1963-64

Alumni Fund	\$ 135,127.87
Associates	43,099.00
Bequests	8,500.00
Business-Industry	88,175.50
Church of the Brethren	25,851.08
Foundations	1,148,532.33
Gift Annuity Agreements	109,250.00
Juniata Parents Association	6,437.30
Research Grants	42,662.08
Total	<hr/> \$1,607,635.16

PROPELLED BY PROGRESS in the long-range development program—now past the halfway mark in the drive for \$5,350,000—the annual giving to Juniata College tripled to a record-breaking high in a single year of \$1,607,635.

Alumni, in greater numbers than ever before (1,980), contributed \$135,127 in the 25th anniversary year of the Juniata Alumni Fund to spark the “forward surge” encouraged by W. Clay Burkholder '35, president of the Alumni Association during the year.

For the first time in history, gifts to the College exceeded one million dollars in a fiscal year which ended June 30.

Such growth and progress again won special recognition for the College from the American Alumni Council. For the second successive year, Juniata received an honorable mention Alumni Giving Incentive Award for distinguished achievement in the development of alumni support. Awards are presented by American business and industry.

Foundations set the pace in the total giving for 1963-64 with a new high of \$1,148,532, according to Harold B. Brumbaugh '33, vice-president for development. Conspicuously large gifts came from the L. A. Beeghly Charitable Trust and the Longwood Foundation.

A significant swing toward gift annuity agreements, which provide a guaranteed fixed income and personal participation in helping others to secure higher education, resulted in a total of \$109,250.

Business and industry contributed \$88,175, Associates added \$43,099, and research grants continued to provide a large amount with \$42,662 in the total report.

Church giving, under the direction of Clarence H. Rosenberger '36, exceeded last year's total with \$25,851. An additional \$8,500 was obtained from bequests and Juniata Parents Association continued to show interest by adding \$6,437.

The year-end summary clearly showed that alumni were facing up to the challenge in meeting their share

as the College continued its progress toward realization of the goal in the long-range program.

Total subscriptions (as of June 30, 1964) have increased to \$2,664,078 (see page 3). Alumni have subscribed \$531,817 in the three years of the campaign.

The Board of Trustees were the pacesetters in the first phase of the development program with \$249,830 contributed. A “quiet campaign” conducted without fanfare in Huntingdon added \$249,355. Then the major contributions came from foundations and industries after the College had demonstrated its “home support” from alumni, trustees and the community.

Plans already are under way to launch the “second phase” of the development program with a campaign in the Juniata Valley this year. Recognizing “the urgent future,” the College will strive to obtain \$1,500,000 needed toward the Science Center and additional funds for endowment and renovations during the next three years.

Meanwhile, Mr. Brumbaugh and LeRoy S. Maxwell '36, alumni trustee

(see page 5) continued to praise the role of the alumni in the total giving.

"The greatest single factor contributing to Juniata's distinguished record of giving has been the high-level volume dollar support through the membership in the One Hundred Club and the One Thousand Club," Mr. Brumbaugh stated. He credited Capt. Will Judy '11, Chicago publisher, for the idea of such clubs when he was president of the Alumni Association in 1939.

Many members of the One Hundred Club were among 220 "regular" contributors who attended the silver anniversary dinner of the Alumni Fund on Founders Day at the College.

Appropriate recognition was given to those who have been consistent in contributing and to those who have

given \$100 annually by President Ellis and Donovan R. Beachley, Sr., Hagerstown, Md., representing the board of trustees. A look into the future of the Alumni Fund was given by W. Clay Burkholder.

Guests at the dinner received a souvenir booklet which described the Juniata Alumni Fund story and listed the names of those alumni who are regular contributors and the current membership of the One Hundred Club and the One Thousand Club.

From a humble beginning, like the college itself, the Juniata Alumni Fund has recorded an interesting, colorful story of growth. Through the years since 1939, the Fund has shown remarkable progress—from \$8,473 in 1939-40 to \$147,043 in 1962-63.

The 24-year record of giving showed

a total of \$1,302,776 for 25,687 single contributions and an all-time average of \$50.72 per gift.

The Class of 1921 has the most distinguished record. It has taken top honors 11 years for the highest amount given and nine years for highest average contribution. The Class of 1950 has the best record on total number of givers with eight years to its credit. Eight of the early classes, prior to 1920, have a total of 58 years of perfect giving on percentage participation. Since 1920, the Classes of 1921 and 1927 share the high honor with five years each.

Records of Top Ten in various categories for the current year are reported in the report of annual giving which follows on the colored pages of this issue.

NEW SPIRIT OF GROWTH

PERHAPS NO THREE YEARS in Juniata's history have produced a greater forward surge than those just passed. It was a real pleasure to be your Alumni Representative to the Board of Trustees during this time.

The Alumni Phase of the Juniata College Development Program is now in its third year. Alumni response in capital gifts was most heartening, and more important, so vital to the success of the program. Foundations and business interests approached for gifts to colleges are always interested in knowing the extent and participation of alumni in capital gifts. Because of your contributions the College was able to show typical "home support" from a confident alumni.

One cannot visit the campus without sensing a new spirit of expansion, development and growth; from the student body, through the faculty to the administration there is a new life developing in this forward-looking college. The new Beeghly Library, a facility long needed, is an extremely popular place with the students. It seems to encourage a new zest for learning and is a real boon to the academic life of the college.

The new Science Center, now in construction, is a vital part of the Development Program. It will give Juniata one of the finest science department facilities of any small college in the country.

The eastern area of the campus has an entirely new look with its new recreation and athletic areas. Here students enjoy new opportunities for physical development and alumni who have seen the facilities have difficulty in concealing a smug smile of satisfaction.

As alumni we can find just pride in our college and in its efforts to lead, and not to follow, in Christian higher education. The importance of continued alumni interest and participation in this cause can never be exaggerated.

JC Telethon Is Successful

ONE OF THE MOST SUCCESSFUL experiments in promoting the Alumni Fund this year was the "JC Telethon" in which some 100 alumni volunteers made 1,342 telephone calls in 11 different areas of alumni concentration.

The result was "great," according to William B. Martin '59, director of alumni relations, who reported that 525 contributed a total of \$9,401 after the friendly chat. An encouraging note was the fact that 183—35 percent—of the contributors were giving to the College for the first time. Contributions ranged from \$300 to \$1.

Striving for greater participation in the Alumni Fund, the callers opened their assault by phone on non-contributors in Blair County. Their success encouraged use of the technique in other areas. Calls were made as follows, with number called and contributors in parenthesis:

Blair County (200—87); Harrisburg (128—79); Huntingdon County (225—78); Johnstown (99—58); Lancaster-York (107—49); Lewistown (97—27); Northern Philadelphia at Norristown (144—46); Southern Philadelphia at 69th St. (112—28); South Jersey at Camden (85—27); Pittsburgh (76—21); and Waynesboro-Hagerstown (69—25).

Ford Fund Aids Juniata

THE FORD FUND Educational Aid Program has revealed that Juniata College received a greater total in matching contributions from the Fund during the past year than any of the other 30 colleges in Pennsylvania.

Juniata College's share of \$3,405 exceeded the second highest reported for Haverford College. Carnegie Tech and University of Pennsylvania ranked next in order.

Colleges receive the money through a program encouraged by the Ford Motor Company which urges its members (or employees) to contribute to the college of their choice. The program provides for Fund contributions on a matching basis of \$1 for each \$1 contributed by a member and an additional \$1 for any contribution to a private college.

Hence, the report shows that Juniata received \$1,202 in member contributions and \$2,203 in fund contributions.

*Largest Senior Class Urged to Live
Own Life by J&L's Charles Beeghly;
83 B.A., 74 B.S. Degrees Conferred*

CROSS-CUTTING THE CAMPUS

JUNIATA'S LARGEST CLASS of graduates —157—received baccalaureate degrees and heard a strong plea to "live your own life" from a Pittsburgh industrialist at Commencement May 31.

The College also honored its speaker, Charles M. Beeghly, chairman of the board of Jones & Laughlin Steel Corp., and one of its alumni, Dr. John N. Stauffer '36, president of Wittenberg University, with honorary Doctor of Laws degrees.

In his address, Mr. Beeghly emphasized the incentive and discipline of the competitive system which, he stated, "has more character appeal and challenge than the rewards for allegiance to the equalizing objectives of the planned economy." He urged the 170 seniors, including 13 Summer candidates, "not to allow others to live our lives for us."

The steel executive stressed that the church-related college graduate offers business "his developing sense of purpose . . . the inner discipline which encourages personal commitment . . . a quality of importance."

President Ellis conferred B.A. degrees on 83 and B.S. degrees on 74—a record total which exceeded the previous high of 139 awarded in June, 1960. It also was the highest number of B.A. degrees granted at any Juniata Commencement. Women outnumbered the men, 79-78, in the graduating class.

Nine of the seniors were graduated with honors. Leading her class was Betty Jo Miller, Malvern, Pa., a major in German who was graduated *summa cum laude*.

Four were graduated *magna cum laude*: Judith M. Carleton, San Francisco, Calif.; Rodney W. Jones, Springfield, Pa.; Patricia P. Pyle, Chadds Ford, Pa.; and Ronald M.

(Continued on Page 11)

Mr. Beeghly

Dr. Stauffer '36

TWO HONORARY doctor of laws degrees were conferred by the College on a Pittsburgh industrialist and an alumnus who is now a university president at Commencement closing the 88th year May 31.

Charles M. Beeghly, chairman of the board of directors of Jones & Laughlin Steel Corp., Pittsburgh, was cited as "an industrial and civic leader of national prominence" and President John N. Stauffer '36 of Wittenberg University, Springfield, Ohio, was described as "an educational statesman and loyal alumnus." Degrees were conferred by President Ellis following citations by Dr. Morley J. Mays, vice-president for academic affairs:

CHARLES MILTON BEEGHLY

Charles Milton Beeghly is the bearer of a distinguished family name which has become familiar on the Juniata campus, and which will continue so for many generations to come. Moreover, he has the broad interests and independent spirit which have taken him into vigorous industrial and civic leadership. As a trustee of two distinguished institutions of higher education and former chairman of a public board of education, as a leader in the planning of Allegheny County and the city of Pittsburgh, he represents the type of enlightened executive ability which sees far beyond its immediate responsibility to the larger good in education and community development.

JOHN NISSLEY STAUFFER

John Nissley Stauffer is a distinguished son of Juniata whose career has now brought him to the presidency of an eminent church-related university. Through all of it his professional attention has centered on the student, in vivid demonstration of the responsibility of all educators, in whatever capacity, to keep the student in full view always. This he has done as a personnel officer and as a chief executive with insight, finesse, and courage. This has been his firm commitment as a counselor of veterans at Harvard University, as a national leader of the Y. M. C. A. movement, as a practicing psychologist, and now as a university president.

Smelser, Medina, Ohio. Four others received their diplomas cum laude: Cora E. Cunningham, Lansdale, Pa.; Judith F. Fairweather, Dunellen, N. J.; John D. Gorsuch, Hooversville, Pa.; and John P. Reeves, Ashland, N. J.

Prizes for Seniors

TOP PRIZES for "distinguished undergraduate work" were awarded to four leading senior scholars at the Senior Convocation May 13.

The three divisional prizes of \$100 each were won by Miss Miller (Humanities); Mr. Smelser (William S. Price social studies); and Mr. Reeves (Dr. Andrew B. and Maria F. Brumbaugh science). All were honor graduates.

A new prize for "the outstanding member of the graduating class in pre-medicine" was awarded to Judson H. Kimmel, Shelocta, Pa. This prize of \$100 has been established by Mrs. John W. Swigart of Huntingdon in memory of her cousin, Dr. Wilbur W. Oaks, a physician and surgeon.

Two senior girls also shared in the awards. Marion G. Kercher, Maple Shade, N. J., received the Justina Marsteller Langdon prize, and Marjorie E. Stauffer, Greensburg, Pa., was the winner of the Women's Fellowship Council prize to the Brethren senior girl.

Directs Financial Aid

ROBERT A. DOYLE '60, former assistant director of admissions, has been appointed to a new position as Director of Financial Aid at the College.

In the newly created position, Doyle will supervise and administer the financial aid program which includes scholarships, grants-in-aid, student employment and loans. He will be responsible to John T. Fike, vice-president for financial affairs.

Doyle '60

A native of Johnstown, Doyle joined the staff as admissions counselor, then resigned to take a tour of duty in the U. S. Army. He returned last year as assistant to the director of admissions,

Contracts for the College's largest building project in its history—the \$2.7 million Science Center—were signed by President Ellis in mid-April. Contractors are (left to right): Frank L. Black, Jr., Carlisle, plumbing and heating; Blaine E. Corbin, Huntingdon, Corcelius Electric; and J. C. Orr, Jr., Altoona, for the general contractor, J. C. Orr and Son. Construction is moving ahead "on schedule."

Ronald W. Wertz, and continued in that position this year with Richard E. Kimmey, director of admissions.

Simpson Scholar

JUNIATA COLLEGE'S coveted honor for incoming freshmen, the Richard M. Simpson memorial scholarship, has been awarded to Denis P. Albright of Ephrata, Pa., high school.

Albright, son of Mr. and Mrs. Paul E. Albright, 131 Park Ave., Ephrata, was selected from among "six outstanding candidates" to receive the \$1,000 per year scholarship. He intends to study mathematics to prepare for teaching.

Albright has been an honor roll student; a letterman in football, basketball and baseball; sports editor of the yearbook; a member of Student Council and Key Club; and a Science Fair prize winner.

Board Re-elects Officers

THE BOARD OF TRUSTEES has re-elected its chairman, Dr. John C. Baker '17, Essex Fells, N. J., retired president of Ohio University, and all other officers for another term.

William R. Flory '21, Harrisburg, president of Grenoble Hotels, Inc., will serve another term as vice-chairman. Four other officers re-elected at the annual spring meeting were: John W. Swigart '30, Huntingdon insurance executive, secretary; John T. Fike '35, vice-president for financial affairs, treasurer; Anna Groninger Smith, assistant secretary, and Hilda Nathan, assistant treasurer.

The board also elected one new member, Dr. John R. E. Hoover '47, Glenside, Pa., a chemist with Smith Kline and French laboratories, Philadelphia. Dr. Hoover, a native of New Enterprise, succeeds Stanley L. Davis,

Lansdale, Pa., as representative of the North Atlantic District of the Church of the Brethren.

A former chairman of the board, John V. Kline '13, Scarsdale, N. Y., a lawyer in New York City, was named a trustee emeritus.

Oil paintings dominate the exhibit of some 25 pieces, but watercolors, pen and ink sketches, woodcuts and sculpture are included. Some 20 art professors from colleges in Central Pennsylvania and the Finger Lakes of New York State, and seven artists are represented.

Among the exhibitors is Steven Barbash, assistant professor of art of Juniata College. He showed an oil entitled "Early Snow."

Another Mid-State exhibit will be scheduled in the remodeled Carnegie Hall when the Art Center is completed in the fall.

Paleontology class searches for fossils in Science Center excavation.

JUNIATA STUDENTS in a paleontology class, which took "lab duty" on the site of the Science Center, are convinced there's more truth than poetry to the thought that where there is something new, there should be something old, too.

Three hundred million years old, in this case!

Paleontology is the science that deals with the life of past geological periods and is based on the study of fossils.

And fossils of creatures that have been extinct for millions of years were found in abundance in the rock layers exposed in the excavation along Moore Street.

All of these creatures are marine organisms, according to Dr. J. Peter Trexler, chairman of the department of geology. These fossils, he explains, "attest to a marine origin of the beds exposed in the excavation."

That confirms, of course, what geologists already knew—that a large, shallow inland sea existed throughout

much of this Appalachian area during the Devonian period in geologic history. The beds in the Science Center excavation are of the Middle Devonian age (about 300 million years ago), probably from the Onondaga formation or the Marcellus formation, or both, according to Prof. Trexler.

The paleontology class was interested primarily in collecting, identifying and classifying fossils. In addition, the students attempted to interpret the significance of the fossils in relation to the geologic history.

Among the fossils which were found at the building site are those of trilobites, an extinct crab-like marine arthropod, which is seldom found in these formations in this part of Pennsylvania.

Other fossils discovered include brachiopods (the "lamp-shells"), crinoid stems ("sea lilies"), pelecypods (clam-like organisms), gastropods (snails), nautiloids (both straight and coiled cephalopods having an external shell), and cup corals.

THE JUNIATA SPORTS PARADE

Baseball, Tennis Set Pace

THE COLLEGE's spring sports record fell below .500 in spite of a 10-3 mark in baseball and the best tennis season in 10 years.

Coach Fred Prender's baseball team, paced by husky senior catcher, Grey Berrier, Harrisburg, and a slight-built freshman infielder, Gary Shepard, Springfield, Pa., posted its best mark since 1958.

In tennis, another freshman, Larry Bieber, Hummelstown, chalked up a 9-1 record in singles and 5-2 in doubles to lead Coach Ernie Post's Indians to seven victories in 11 matches, best since 1954.

The golfers struggled again, but won one contest to break a 15-match losing streak and finish with a 1-8 mark.

Coach Mike Snider's trackmen slipped badly from an outstanding season in 1963 and failed to win a meet. They had one tie, six losses.

Juniata's spring sports records:

	Won	Lost	Tied	Pct.
Baseball	10	3		.769
Tennis	7	4		.636
Golf	1	8		.111
Track	0	6	1	.000
Totals	18	21	1	.462

Top Athletes Honored

TOP ATHLETES in eight sports were awarded alumni trophies for "excellence in performance, good sportsmanship and cooperation" at the All-Sports banquet.

Leading the list were three double winners: Bill Crowell, Little All-American guard from Patton, Pa., took the Weber trophy for outstanding lineman, which he won in 1962, and Duane Ruble, Sinking Spring, Pa., was a repeat winner of the Helsel wrestling trophy.

Grey Berrier, senior star in football and baseball from Harrisburg, won his second trophy. This time it was

the Goodale baseball award; last year it was football lineman's trophy.

Winners of trophies (with alumni donors in parenthesis) follow:

Football back (Dr. J. Harold Engle)—Barry Broadwater, junior, Hummelstown, Pa.

Football line (George L. Weber)—Bill Crowell, senior, Patton, Pa.

Basketball (Jack E. Oller)—Chuck Robuck, junior, Hollidaysburg, Pa.

Wrestling (David L. Helsel)—Duane Ruble, junior, Sinking Spring, Pa.

Cross-Country (C. Clifford Brown)—John Reeves, senior, Ashland, N. J.

Track (J. Foster Gehrett)—Earl Samuel, junior, Johnstown, Pa.

Tennis (Calvert N. Ellis)—Larry Bieber, freshman, Hummelstown, Pa.

Golf (C. Blair Miller)—Jim Sutton, freshman, Woodlyn, Pa.

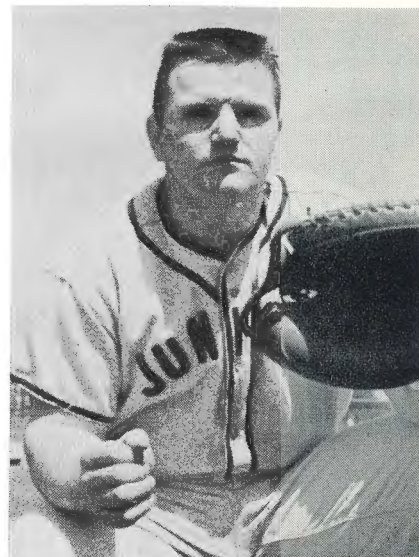

Baseball (Charles F. Goodale, Jr.)—Grey Berrier, senior, Harrisburg, Pa.

Cubs Sign Berrier

GREY BERRIER, burly 215-pound catcher for Juniata for four seasons, signed a professional baseball contract with the Chicago Cubs. The Harrisburg product of William Penn High was assigned to Caldwell, Idaho, in the Mountain State League, a Class A franchise.

Berrier, co-captain of baseball last season, was one of the key men in leading the Indians to a 10-3 record under Coach Fred Prender. He batted .412, played error-less ball behind the plate, and won the Goodale trophy as "most outstanding player." Two years ago he was the team batting champ.

By signing a pro contract, Grey becomes the second member of the Berrier family to move into professional baseball from Juniata College. Brother Bill, a Little All-American fullback and an outfielder for Juniata, was signed by the Los Angeles Dodgers and is now with the Albuquerque team in the Class AA Texas State League.

Grey Berrier

Coaching Aides Named

THE ADDITION of two part-time assistant coaches to the athletic staff of the College has been announced here by Ralph W. Harden, director of athletics.

Bernard A. Kyper, one-time Huntingdon High and Juniata College football guard (1956-58) and a former Juniata Valley high school coach, will become a line coach under Fred Prender in football. He will join Bill Berrier and Ernie Post as assistants.

Dr. Howard H. Crouch, an associate professor of education on the Juniata faculty, has been named assistant to veteran Coach P. M. (Mike) Snider in track and field.

Sports Stew

A TWO-SPORT captain, J. C. Day '64 of Drexel Hill, Pa., received the Stanford Mickle athletic trophy at the All-Sports banquet this year. Day, a sociology major, was one of the major reasons for the Indians' improved showing in both wrestling and baseball this year.

The Tribe's Earl Samuel, junior from Johnstown, who set a new Middle Atlantic Conference college record in the two mile this year, also erased the old mark on the Juniata books. He ran 9:44.8 to better the former record of 9:54.4 set by Bob Berthold in 1963. Samuel won the "most valuable trackman" trophy and led the team in scoring with 62 points.

PERSONALS and NEWS FROM THE CLASSES

The Alumni Association's executive board has approved a revised publication schedule which currently provides for two magazines (Summer and Winter issues) and two six-page newsletters (Fall and Spring issues) of the *Juniata College Bulletin*.

Hence, this section now appears only in the Summer and Winter issues. Some items of Alumni Achievement will be included in the Fall and Spring newsletters and unlimited news notes are welcome for *Class Newsletters* prepared by your Class Representative.

Deadline for receiving personals for the next issue of the magazine (Winter) is January 15, 1965. These may be sent to your Class Representative or to the Alumni Office. Information for this issue was prepared by Mrs. Robert G. Cutshall, editorial assistant, aided by class representatives.

Largest turnout for a one-year class was happy occasion for '63ers.

Christmas brought a letter from **George and Janet (Troxell ex'53) Layman** telling of exciting things that are happening to them. Last year they bought a 300-acre farm on the DeWitt Road, Bliss, N. Y. The farm, in addition to being a going agricultural concern, is being developed by the Laymans into a recreational area. They have built a lake almost an acre in size where one can lay on the sand beaches and look at the magnificent view 50 miles in the distance. Plans called for the developing of 200 camp sites for tents and trailers, rest rooms, showers, store and snack bar, recreation field and a large picnic area overlooking the lake. They were looking forward to opening in June, 1964. Long range plans include a lodge and restaurant, a number of chalets, ski runs and jumps, ski lifts, tobogganing, nine-hole golf course, etc. Sounds like a mecca for traveling Juniatians.

Remodel Swigart Music Hall

RENOVATION of Swigart Music Hall at the College is now under way "to improve its appearance and make it blend with other college buildings."

The remodeling, estimated to cost \$35,000, will provide for a new exterior, an improved recital room on the main floor, and an enlarged rehearsal room on the ground floor. Studios, practice rooms and offices of the Department of Music are located in the building.

Arrangements for the alterations were made by members of the Swigart family in connection with college officials and the architect firm of Hunter, Campbell and Rea, Altoona. Cost of the renovation will be covered by funds from The Swigart Foundation. Work is being done by Paul E. Hickes, Alexandria, Pa., contractor.

Swigart Music Hall was acquired in 1950 through a gift of the late W. Emmert Swigart, Huntingdon insurance executive, and is named in honor of his family. Use of the building and its eventual remodeling were the ideas of the late Mr. Swigart.

Memorial Scholarship for Jim Martin

A TRUST FUND has been established by Dr. and Mrs. Alex D. Martin, Colver, Pa., to benefit students at Juniata College as a scholarship in memory of their son, James Mac-laren Martin '57, who died July 6, 1960.

Jim was graduated from Juniata cum laude, then studied biochemistry for one year at the University of Hamburg, Germany, on a Fulbright scholarship. He returned to complete two years in Harvard Medical School.

It is the desire of Dr. and Mrs. Martin to help worthy students at Juniata, preferably those whose field of concentration is in the sciences. Annual income from the fund will be approximately \$1,700.

Circling THE ALUMNI CIRCUIT

With Bill Martin '59

THE MAGIC NUMBER for alumni dinners this past spring turned out to be 20. More than 1300 alumni and friends attended this year's 20 dinners which were offered as far south as Florida, as far northeast as Boston, and as far west as Dayton, Ohio.

Boy, did we eat? Even President Ellis had to watch his waistline (he was guest speaker at five of the dinners). Seriously, the programs were excellent and I would like to take this opportunity to thank the Local Alumni Association presidents and secretaries and their hardworking committees for their efforts in making their dinners so highly successful. It was a wonderful experience for me (I attended 10 of the 20) to meet so many wonderful and loyal Juniata people during my first full year as your Director of Alumni Relations.

To those of you who did not attend an alumni function this past year, or in recent years for that matter, why not plan now for next year. You just might have a lot of fun!

Statistically (I am allowed to use that word because I took a course called Introduction to Statistics from Black Tom), it has been shown that recent graduates of colleges and universities are not breaking the doors down to attend alumni dinners in their areas. Many reasons have been given for this lack of interest on local alumni affairs such as: we feel uncomfortable; there is nobody there that we know; they are all as old as my parents, etc.

This past year Juniata initiated and

formed two Young Men's Clubs (Philadelphia and Pittsburgh areas) for the purpose of revitalizing the interest of our recent Juniata grads in the Alumni Association. All those male grads who live in the respective areas and had graduated since 1950 were sent an invitation to attend these first meetings. Our successful and new head football and baseball coach, Fred Prender, was the guest speaker.

Thanks to two hard-working committees, Juniata's Young Men's Clubs got off to a flying start. For The Tribe in Pittsburgh: Ken Bechtel, Frank Hrach, Jim Orris, Joe Slick, Vincent Valicenti and Ken Wenger. The Delaware Valley Redmen in Philadelphia: Bob Catando, Al Crease, John Fischer, Dick Moll, John Richman and Bob Sill. Both the idea and the programs were well-received by both groups. In fact, Pittsburgh has just completed its second successful get-together and Philadelphia has plans underway for its second meeting.

I would like to anticipate some questions you might ask. Yes, these are for males only (I'll talk to the ladies later). Yes, you can belong if you graduated before 1950 (the year 1950 was used only as a starting point). No, there will be no dues. No, they will not conflict with the Alumni Dinners as these meetings are primarily held in the fall. If you are an alumnus and would be interested in learning more about the idea behind the clubs or would have interest in starting one in your own area, please contact me and I will be happy to discuss it with you.
